WELCOME TO GOLFERS' PARADISE

18TH HOLE, GARY PLAYER COUNTRY CLUB

18TH HOLE, THE LOST CITY GOLF COURSE

Golf isn't all about bunkers, birdies and bogeys, in fact, in our world it is a game that includes African bushvelds, oceanic views, perfectly manicured Kikuyu fairways and mountainous terraces.

From the North West Province to the Eastern Cape, we invite you to tee off on southern Africa's top golf courses.

Outside of the USA, South Africa has more golf courses than any other country. Of these many courses, only a few are world-class and four of them belong to Sun International.

Southern Africa has rapidly emerged as an international golfers' paradise. The quality of courses, together with a temperate climate allow for year-round play and superb course conditioning. For this reason, Sun International has designed greens that

meet international standards, where each course draws on the unique strengths of the environment and climate in which it was developed. All our courses are maintained and serviced regularly, and see many seasoned and amateur golfers return to master the game in our idyllic settings.

The stable of Sun International resorts has seamlessly blended the true African golfing experience with uncompromising standards of service. For the golfer wishing to sample an astounding diversity of course design in pristine settings, Sun International's hotels and golfing resorts are an obvious choice.

Where else can one enjoy playing golf courses of the highest quality, while accommodated in luxurious rooms all in exotic African locations?

WELCOME TO THE ORIGINAL

GARY PLAYER COUNTRY CLUB SUN CITY RESORT

This world-renowned golf course, designed by golf legend Gary Player, is an 18-hole par-72 walking-only course. Built in an extinct volcanic crater, this immaculate golfing paradise conforms to the stringent US PGA specifications and was named South Africa's Best Golf Course in the World Golf Awards 2015.

It is also home to the annual Nedbank Golf Challenge which plays host to some of the world's most famous golfing legends. The tournament has seen some exceptional wins by great players such as Ernie Els, Retief Goosen, Jim Furyk, Sergio García and Lee Westwood.

When construction of the Sun City Resort began in 1978, the decision was taken to build a golf course that would rival the best in the world. From the championship tees, the course measures a mammoth 8000 yards – but either the intermediate or the forward tees can be used without the integrity of the design being impaired. Another strength of this layout is that it favours no particular shape of shot.

1ST HOLE, GARY PLAYER COUNTRY CLUB

The fairways, clad in manicured Kikuyu grass, make for the perfect surface from which to hit approach shots to the bent grass greens. Imaginative bunkering protects the sand-based putting surface, all large and undulating. The magnificent views of the Sun City Resort's four hotels and lake, as well as the surrounding mountains that form part of the Pilanesberg National Park, are enough to stir the blood.

The Gary Player Country Club has a fully equipped health club and spa, of an international standard, offering a full range of beauty treatments and therapies. Today, in spite of stiff competition, it's not hard to see why the Gary Player Country Club is deservedly ranked as one of the most prestigious golf courses on the African continent.

WELCOME TO THE CONTENDER

THE LOST CITY GOLF COURSE SUN CITY RESORT

After the completion of the Gary Player Country Club golf course, the popularity of the Sun City Resort and its many attractions demanded that another golf course be built. Again, Gary Player was commissioned to design the course, his challenge being to create a very different golfing experience.

The Lost City Golf Course has rocky terrain with an 18-hole desert-style golf course that is surrounded by spectacular views across the bushveld. The course boasts wide fairways, a series of lakes that separates the ninth with the finishing hole, while covering more than 100 hectares with 28 000 square metres of water features.

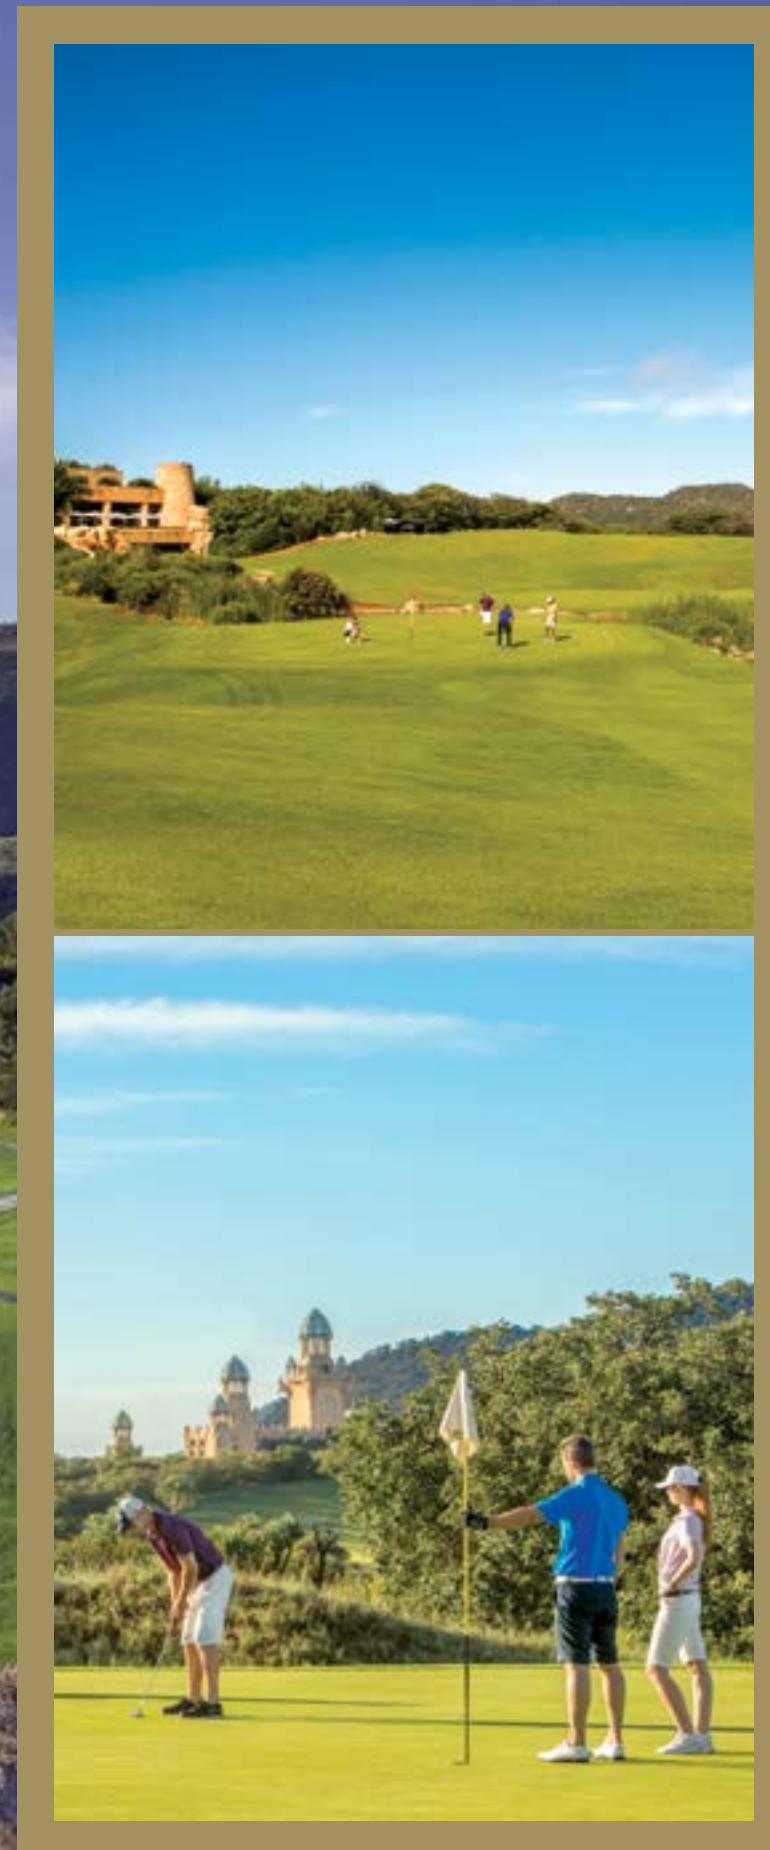

The par-72 course has live 2-metre long crocodiles on the 13th hole with a green in the shape of the African continent. This makes it one of the most unusual, exciting and interesting golf courses in the world. The course facilities include a Pro Shop, a practice putting green and a driving range.

As with its older twin, the Lost City's course required extensive earth-moving, yet amazingly, the finished product appears to have existed as long as the mythical Lost City. The course has touches of mountain, desert and even a brand of African parkland in its make-up.

It is interesting to note that the architect of the Lost City's course argues against the views of the independent judges of South Africa's golfing facilities, claiming that this layout is in fact better than the Gary Player Country Club. Perhaps the fact that this was the first golf course in Africa to benefit from the work of a professional shaper has something to do with his position.

Like the Gary Player Country Club, the golfer can choose whether to tackle the course from its championship tees (suggested only for the longer hitting, single-figure handicappers), the standard markers or forward tees. Even playing the shortest route presents a fascinating test, as the approach to the greens (clad in bent grass) are protected by the trademark Player bunkers, that demand careful judgment. If, as many golf course critics maintain, a great layout should test every one of the 14 clubs, the Lost City passes the acid test with flying colours.

WELCOME TO THE SOUTH COAST

WILD COAST SUN COUNTRY CLUB EASTERN CAPE

Many South African golfers insist that the Wild Coast Sun Country Club's course is the most beautiful in the land. However, this course is much more than just a pretty face.

The celebrated course architect, Robert Trent Jones Jnr was commissioned to design the course at the Wild Coast Sun. While some critics suggested that he could hardly go wrong given the magnificent land available, he made every effort to utilise the natural topography to the full. The result is a course like no other.

The Wild Coast Sun Championship Golf Course is laid out over a rugged terrain running along the Indian Ocean which creates a dramatic golfing experience. This exciting course is played over hills, ravines, rivers, dams and waterfalls, and has breathtaking views. The 18-hole golf course has wide fairways and huge greens providing a daunting challenge to both professionals and amateurs alike and attracts golfers at all levels.

Although quite short in length, it is one of South Africa's most testing layouts, especially with the strong prevailing winds that the Wild Coast region is famous for. This adds an entirely different dimension to the course. The signature hole, 13th par-3 is played across a waterfall to a large green surrounded by rocks. This dramatic hole is regarded as one of the best short holes in South Africa.

WILD COAST SUN
COUNTRY CLUB

1ST HOLE, WILD COAST SUN COUNTRY CLUB

Firstly, the card shows six par-3s – unusual, but not a radical departure from the norm. What is unusual is the quality of each of these one-shotters – each very different, none very long, but every one a beauty. One hole demands that a shot be played over a huge chasm with a waterfall cascading off a cliff.

Then there exists a strange contradiction – although the course lies near to the Indian Ocean, it bears little resemblance to any classic links, although some holes would not be out of place in Ireland or Scotland. It is immediately noticeable how the routing has been cleverly devised to make the most of the two prevailing winds – from the north and south. Two very different nines, but both a treat.

From the opening hole, which sweeps down towards a lagoon with the Indian Ocean forming a backdrop, one would be convinced that this is a special course.

The Wild Coast Sun resort, on the South Coast, is just 90 minutes drive from Durban. The hotel is in a breathtaking setting, only metres from the Indian Ocean surf line. The resort is intimate and fun with gaming, horse riding, a world-class themed Wild Waves Water Park and of course golf on offer. Add to this the beach attractions and you have a destination for the whole family. Everything's there for comfort, from the beautiful finishes in the 396 guest rooms, to the Aloha Village for kids and the young at heart. Altogether, the Wild Coast Sun is a journey you should not miss out on.

WELCOME TO THE KING'S FAVOURITE

ROYAL SWAZI SPA COUNTRY CLUB ESWATINI

Situated across South Africa's Eastern border lies the Kingdom of eSwatini where the Royal Swazi Spa Country Club is perfectly nestled within the Ezulwini Valley (Valley of Heaven).

This golf course is home to pure parkland variety and magnificent fairways lined by a dazzling array of trees and scrubs. The course layout has been revamped by the world-renowned architect Peter Matkovich.

With a proud history being the longest serving host on the Southern African Pro Tour, this course has seen the likes of Ernie Els and John Daly crowned as champions on its 18th green. While the pros might make a mockery of par here, none suggest that the course is "too easy".

The willing Royal Swazi caddies are a major attraction, each full of advice that should be heeded. Be warned, the layout's hilly terrain will test the legs, particularly the 11th hole, a par-4 sweeping up the aptly named "Thrombosis Hill". This is an iron-player's course, with mainly the medium to short varieties under scrutiny. You are likely to experience at least one pressure shot – that played from the 10th tee. On this short par-4, the tee shot must clear a ravine before finding the wide fairway. Survive this and perhaps the 17th, a par-5 where the approach shot must be played over the lake, and you may find yourself pleasantly surprised by your score.

Many golfers have scored their lowest rounds on this quaint course, and most play to their handicaps quite comfortably. The romantic colonial architecture and wonderful gardens of Sun International's Royal Swazi Spa makes for a very luxurious setting, while Lugogo Sun has its own particular charm. Both hotels have superb food and services, couched in evocative African themes. Guests can take their choice from energetic pursuits of horse riding, mountain climbing and hiking, or relax around the wonderful swimming pool, play tennis, bowls or squash, or just rejuvenate at the premier spa.

DISCOVER AFRICA'S WONDER

THE *Sun* LUX COLLECTION

Sun
The Table Bay

THE TABLE BAY, CAPE TOWN

IT'S TIME TO BE CAPTIVATED BY THE PERENNIAL BEAUTY

The Table Bay, opened in May 1997 by iconic former South African president, Nelson Mandela, is situated on the historic Victoria & Alfred Waterfront. Perfectly positioned against the exquisite backdrop of Table Mountain and the Atlantic Ocean, providing a gateway to Cape Town's most popular allures.

Sun
Boardwalk

THE BOARDWALK, PORT ELIZABETH
IT'S TIME FOR QUINTESSENTIAL ELEGANCE

Port Elizabeth is rated as South Africa's friendliest city with a charming coastal atmosphere, all of which this quaint hotel perfectly mirrors. From the grace of the classic Victorian white-and-red façades, to the Tivoli-styled gardens and the debonair-style interior, The Boardwalk conjures up scenes from a bygone era, and is the perfect starting point to pursue enticing endeavours.

Sun
Time Square

TIME SQUARE, PRETORIA
IT'S TIME TO MAKE TIMELESS MEMORIES

At Time Square in the heart of Menlyn Maine, Pretoria, the luxury is in the detail. From the moment you walk in, you are instantly captured by the essence of time. It is a place that keeps you prisoner of the present, allowing you to lose track of time and encourages you to fully live in the now.

The Palace

THE PALACE, PILANESBERG
IT'S TIME TO BE INTRIGUED BY THE ANCIENT

From its inception in 1992, The Palace has enthralled and amazed visitors from all over the globe.

This addition to the Pilanesberg landscape is dwarfed in years by the 1,300 million year old extinct volcanic site on which it is built.

The Maslow
SANDTON

THE MASLOW, SANDTON
IT'S TIME THE MIND'S PREOCCUPATION RELIES ON THE BODY'S LOCATION

Situated in the heart of Sandton's financial district, The Maslow is a specialist business hotel that has consciously been positioned as a game changer, a destination for professionals and a portal for travellers to discover unique fascinations within and surrounding the diverse city.
